PART OF THE PACKAGE:

1x FIXED charger
1x User manual

NOTES:

The product is warranted according to the legal regulations in force in the countries where it is sold. In case of service problems, please contact the dealer from whom you purchased the equipment.
FIXED assumes no responsibility for damages caused by improper use of the product.

PRODUCT CARE AND MAINTENANCE

Use a soft cloth to clean the body of the charging station.

SECURITY MEASURES

Do not expose the device to rain or snow or immerse it in water.
Do not leave the charging station in the car in the sun.
Do not expose the device directly to sunlight or leave it near heat sources.
Do not use the charging station if it has been severely impacted, dropped, or damaged in any way.
Do not disassemble the device; there is a risk of electric shock and/or burns. Do not modify the power cord.
Keep the charging station out of the reach of children. Unauthorized opening or modification of product parts will void the warranty.
Storage temperature of the product: 0 to 35 °C
Product operating temperature: 0 to 40 °C

PRODUCT DISPOSAL

(Applies in countries with separate collection systems for recyclable materials).
Old products must not be disposed of with household waste! If the product no longer works, dispose of it in accordance with the applicable regulations in your country.
This ensures that old products are recycled in a professional manner and also eliminates negative consequences for the environment. For this reason, the electrical equipment is marked with the symbol shown here.

This product is CE marked in accordance with EMC Directive 2014/30/EU, LVD 2014/35/EU and RoHS 2011/65/EU. FIXED.zone a.s. hereby declares that this product complies with the essential requirements and other relevant provisions of the EMC 2014/30/EU, LVD 2014/35/EU and RoHS 2011/65/EU Directives.
