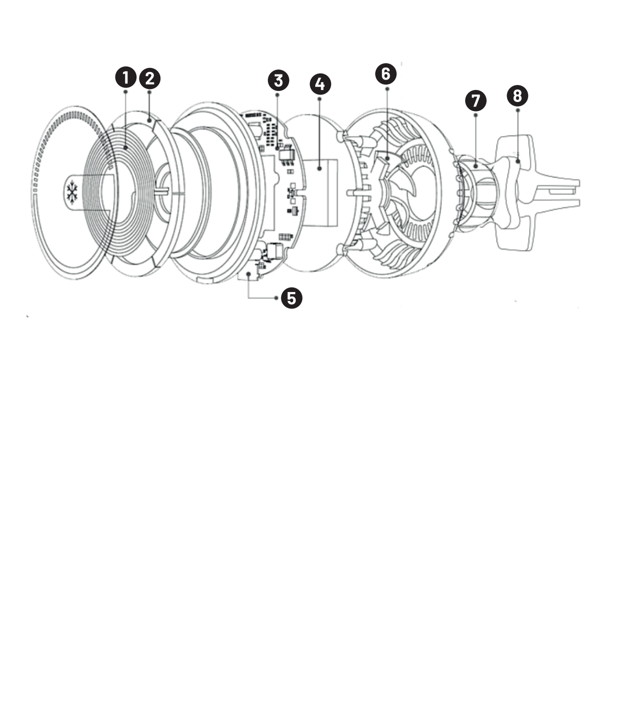
FIXED MAGCOOL



MANUÁL FIXED MAGCOOL — CZ

FIXED MAGCOOL MANUÁL — SK

FIXED MAGCOOL MANUAL — EN

Thank you for purchasing the FIXED MagCool wireless charging and active cooling holder. The holder allows you to charge your phone wirelessly while driving.
Please read this manual before use.
The holder is designed for Apple phones with MagSafe support. For full functionality, the phone must be without a case or in a MagSafe-enabled case.

PRODUCT DESCRIPTION:

1. Coil for wireless charging
2. Magnets
3. PCB
4. Peltier cell
5. USB-C charging port
6. Fan
7. Nut
8. Ventilation adapter

INSTALLING THE HOLDER

1. Use in the vent: clip the bracket into the vent and tighten the screw to make the bracket stable.
2. Loosen the nut on the bracket and adjust the desired angle of the bracket. Tighten the nut.
3. Plug the USB cable into the charging connector. Plug the USB cable into the car charger. For full support, the cable must be plugged into a car charger with QC or PD support and 18 W output

TECHNICAL SPECIFICATIONS

Input: DC 9V/2-3A, 12V/2-3A
Output: 5W/ 7.5W/ 10W/ 15W
Supported iOS output: 5W/ 7.5W
Frequency: 110-205 kHz
Product Dimension: 65x42.5x65 mm
Weight: 96 g
Material: ABS, Tempered glass
Efficiency: :≤80%
Distance to charging surface: ≤10mm

LED DIODE:

Connecting the holder to the power supply: glows white
Starting wireless charging: glows blue
Foreign Object Detection (FOD): flashes blue 6 times and then charging turns off

PART OF THE PACKAGE:

1x FIXED MagCool holder
1x ventilation adapter with nut
1x user manual
1x USB-C to USB-C power cable - 1 m

NOTES:

When charging the phone in the holder, warm air must not be allowed to flow from the ventilation outlet. When heating the interior of the vehicle, close off the air supply to the ventilation outlet with the holder in place.

The product is warranted according to the legal regulations in the countries where it is sold. In case of service problems, contact the dealer from whom you purchased the equipment.
FIXED assumes no responsibility for damages caused by improper use of the product.

PRODUCT CARE AND MAINTENANCE

Use a soft cloth to clean the holder body.

SAFETY MEASURES

Do not expose the device to rain or snow or immerse it in water.
Do not leave the holder in the car in the sun.
Do not expose the device directly to sunlight or leave it near heat sources.
Do not use the mount if it has been severely impacted, dropped, or damaged in any way.
Do not disassemble the device; there is a risk of electric shock and/or burns. Do not modify the power cord.
Keep the holder out of the reach of children.
Unauthorized opening or modification of parts of the product will result in void the warranty.
Product storage temperature: 0 to 35 °C
Product operating temperature: 0 to 40 °C

TROUBLESHOOTING:

In case of problems with the product, you can contact our support at www.fixed.zone/podpora

PRODUCT DISPOSAL

(Applicable in countries with separate collection systems for recyclable materials).
Old products must not be disposed of with household waste! If the product no longer works, dispose of it in accordance with the applicable regulations in your country.
This ensures that old products are recycled in a professional manner and also eliminates negative consequences for the environment. For this reason, the electrical equipment is marked with the symbol shown here.

This product is CE marked in accordance with the provisions of the EMC Directive 2014/35/EU and the RoHS Directive 2011/65/EU. FIXED.zone a.s. hereby declares that this product complies with the essential requirements and other relevant provisions of the EMC Directives 2014/35/EU and 2011/65/EU.
